Why AAF-BR?

AAF-Baton Rouge prides itself on many years of public and community service, awards and recognition, and fellowship with our friends in this truly unique business. For those of you unfamiliar with the AAF-BR, our club consists of local professionals based in the fields of advertising, sales promotion, public relations, marketing, social media, production and the buying or selling of advertising. We are an affiliate of the American Advertising Federation, the only national organization representing the interests of the entire advertising community. The AAF membership includes more than 400 corporations, 216 clubs and federations, and 133 college chapters, together creating a unified network of almost 50,000 affiliated members dedicated to the good of advertising.

For decades, the AAF-BR has been a valuable and dedicated community partner. We organize club-wide food drives, produce public service advertising campaigns and provide scholarships and a variety of educational opportunities for LSU, Southern University and other local students. Our club also showcases local talent at its annual American Advertising Awards, also known as the ADDY Awards, with winning entries advancing to the district and national AAA competitions. Other club achievements include over 20 wins as the District 7 Division III Club of the Year, and a five-time winner of the AAF National Division III Club of the Year.

Thank you for supporting the efforts of AAFBR. Your investment will go a long way in maintaining the integrity of the advertising industry. For more information on how AAF-BR makes a difference, please visit www.aafbr.org.
